Give us an opportunity to assist you in placing your “hard to place” Property risks. Using our expertise, we can customize solutions to meet your needs. We have many admitted and non-admitted markets with appetites for:

- Primary Flood
- Excess Flood, over NFIP
- Primary and Excess or Quota Share Stand Alone Wind/Hail Coverage
- Monoline All Risk Coverage, Tailored to Insured’s Specific needs
- Primary Business Income/Extra Expense, whether or not Property is written
- Wind Driven Water and Tidal Surge covered as part of “All Risk” Perils
(This eliminates the discrepancy between Flood Insurance Carrier and All Risk Carrier disputing who is responsible for claims payment and how much. Eliminates the proximate cause dilemma - available for coastal exposures)
- Wind/Hail Deductible Buy Back Program; Difference in Conditions Coverage
- Replacement Cost, ACV, or Stated Value Options; Co-Insurance Options
- Specialty Programs for Marinas, Yachts, Casinos, Oil & Gas Exploration/Platforms
- Large Multi-Layered Placements among numerous Standard & Excess Carriers
- Over \$1 Billion in available limits for Wind/hail/flood in Domestic, Bermuda & Lloyds Markets
- Excess of Loss Coverage above a Self Insured Program for Property or Liability
- Stand Alone Inland Marine Coverage – \$1,500 Minimum premiums
- Stand Alone Wind/Hail Coverage – \$1,500 Minimum premiums
- Stand Alone All Risk Coverage – \$1,500 Minimum premiums
