WORLDWIDE FACILITIES, INC. Announces New Market offering Wrap up/OCIP Coverage and Project Policies for Residential Contractors Building Single-Family and Multi-Family Dwelling Projects

LOS ANGELES, CA - WORLDWIDE FACILITIES, INC. is pleased to announce their appointment with a new market offering "Wrap" coverage for Residential Contractors.

This carrier, rated A- VIII by A.M. Best, provides primary coverage for Contractors and Wraps/OCIPS for both single-family and multi-family construction projects. They also offer both claims-made and occurrence coverage written on a non-admitted basis for general liability exposures in 47 states. Project specific policies are also available.

In addition to Wraps/OCIPS for both single-family and multi-family construction projects, coverage is available for construction risks including small residential building contractors to custom and spec homebuilders and re-modelers.

Target Business Classes include Residential Tracts up to 100 Single Family Homes and Condominium/Townhome Projects up to 10 Units per Building and 32 Units per Project.

Limits of up to \$1mm/\$2mm/\$2mm are available. The minimum premium is \$200,000 for Wraps and for residential General Contractors, including custom & spec homebuilders and re-modelers, the minimum premium is \$100,000.

For more information and applications, please contact Daniel Colacurcio at Worldwide Facilities, Inc., 213-251-2425 or at DColacurcio@wwfi.com.

Worldwide Facilities was founded in 1970 and is one of the largest independently owned wholesalers domiciled in the Western United States. In addition to its brokering capabilities, the company also underwrites business as a managing general agent through its wholly owned subsidiary, Heritage General Agency. The company markets all lines of Casualty, Property and Professional Liability insurance and enjoys expertise in many industry segments including Oil and Gas, Construction, Environmental, DIC and Marine. In addition to its headquarters in Los Angeles, the company has offices in Atlanta, Irvine, Phoenix and Seattle.
