## Let us "Wrap" that for you!

Worldwide Seattle is your premier wholesaler for your residential construction accounts.

We partner with the major markets writing Owner Controlled / Contractor Controlled Insurance Programs and are able to place coverage for your clients. We have written everything from small projects such as an 8 unit condo building, all the way up to the multi million, multi unit high rise buildings.

We can take the mystery out of "wraps" for you so that you can be certain your client has the most competitive program in place.

We are very proud of our newest market, an A+XV carrier with limited access in the Northwest. This carrier has placed their confidence in us and we hope to submit many of your good wrap projects to them.

We have markets that will quote small wraps, large wraps, frame wraps, concrete high rise wraps, apartment to condo conversion wraps! Just don't send us your Steak Fajita Wraps!!!!

We also have excess carriers available for those projects that require higher limits!

Minimum premiums start at \$150,000. Call us today to discuss your client's project!
